

Your name:

IGCSE Geography – Tropical Storms – Hurricane Matthew 2016

Category 1	Category 2	Category 3	Category 4	Category 5
Wind Speed & damage to property				
Likely dangers to people				
Impact of storm surge				

Task 1 – Using the hurricane strength video, use the first box to record the wind speed and damage to property. The second box should include the likely dangers to people in each of the categories and the third box should include details of impact of ‘storm surge’.
