

Grade 7 – The Drivers of Globalization – Presentation Structure

Globalization Driver Sheet

Task	What to Include	Example Prompts
1. Definition (in your own words)	Write a clear, simple definition of your driver of globalization.	"What is this driver about?" "How does it help connect the world?"
2. Example 1 – Real World	Find one <i>real</i> example (from the sheet or your own ideas) that shows this driver in action.	Technology: mobile phones in Africa; Transport: Airbus A380; Migration: Syrians to Sweden
3. Example 2 – Personal Connection	Relate it to your life or something you've seen.	"How does this affect me or my family?"
4. Who Benefits / Who Doesn't?	Identify who gains and who might lose out from this driver.	"Who wins or loses when companies go global?"
