## IGCSE Geography – Deserts & Desertification

Watch the first minute of the embedded video on geographypods and explain the processes that lead to desertification.

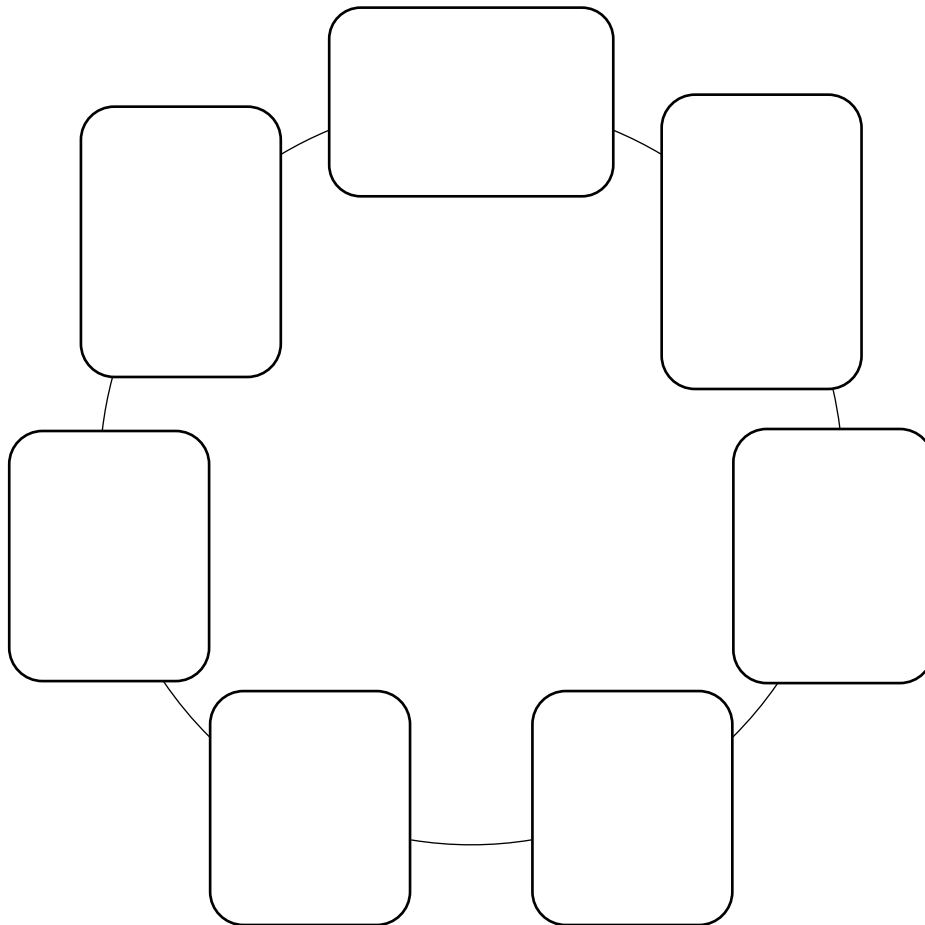

Explain how the process of desertification can lead to migration.

... the video (1.35)

Name here

In the space below, complete your diagram of the cycle of desertification using the link on geographypods. Add the title to the centre of the diagram.

The effects of desertification. Using the same link as above, complete the table below to show what these figures mean.

1 billion people...	
In 2014...	
\$2 billion ...	

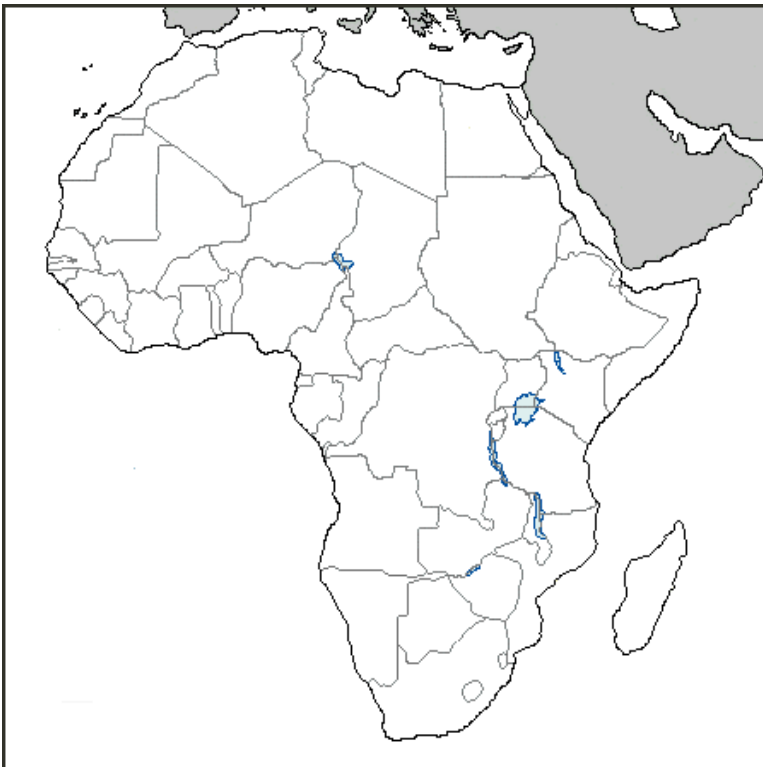

Back to the video. Start at 1.35. Briefly describe the three schemes that can be put into place to combat desertification.

Scheme 1 -	Scheme 2 -	Scheme 3 -

Name here

Outline the impacts in Niger of these methods on its people and environment.

Using the link coolgeography link on geographypods, complete the map below to show the location of the Sahara desert, the Sahel, the affected countries and the 'Great Green Wall'

Key

Using the final two videos on geographypods, describe how the Great Green Wall aims to reduce desertification in the Sahel region of Africa.
