IGCSE Geography – Food Shortage - Deep Dive into Yemen

BBC Inquiry podcast is a weekly 22-minute Podcast that explains a current affairs issue through the lens of four key witnesses. It is regularly on my car radio (via Bluetooth!) on the way to IST and this morning (18/02/2019), it was this recent episode – Why don't we care about Yemen? Please listen carefully to the Podcast embedded on Geographypods and take notes from the four key witnesses using the note taking frame embedded.
