

HEADING:- SHOWING HEIGHT ON MAPS

CONTOURS

1. When contour lines are close together it means the slope is _____.
2. When contour lines are widely spaced it means the slope is _____.

TASK A

Copy sentences 1 and 2.
Study the pictures on the left.
Add the words **STEEP** or **GENTLE** in the spaces.

CONTOUR PATTERNS

A	A hill with a steep western slope
B	A hill with two summits; the southerly one is higher
C	A rounded hill with slopes of equal steepness
D	A hill with a steep north-easterly slope
E	A hill with two summits: the eastern one is higher

Task B

Study the contour patterns 1-5.
Match them up with the descriptions A-E.
Write down the matching letters and numbers in your book.
