

IB Geography – Image Flash

The class is going to be shown an image for 1 second! In your groups, you must decide who is responsible for identifying the following four bits of information as well as a joint effort to reproduce the image in the space below.

Who is shown? (student _____)	Where is this taken? (student _____)
What is the message? (student _____)	When was it taken? (student _____)

Reconstruction of image here after 1 second view.

On the emotion line beneath, mark on the location of the image in terms of how positive or negative you believed it to be.

Very Negative

Very Positive
