## Year 6 Smartie Geography – Population Learning Grid

My country details:

Country Name

Country Number

Your population structure at the START of the game

Blue	Male Adults	
Orange	Female Adults	
Red	Male Children	
Yellow	Female Children	
Green	People aged over 65	
Pink	Ethnic Minorities	

Recording my feelings during the game. Also anything new that I learnt e.g. new words, terms and meanings.

Your name here :

Your population structure at the END of the game		
Blue	Male Adults	
Orange	Female Adults	
Red	Male Children	
Yellow	Female Children	
Green	People aged over 65	
Pink	Ethnic Minorities	

What things were the most important in changing .....	
Number of babies being born (birth rate)?	Number of people dying (death rate)?
How people moved from one place to another (migration)?	If I could write a new card based on a recent real world event that changes population, it would be .....
