

Thinking about **Tornadoes**

Thinking about

Tornadoes

are you ready?

What happened in the last
24 hours?

Think about
Tornadoes

↑
What does this mean?

**17 miles long
1.3 miles wide
45 minutes!**

**Moore
Oklahoma
Monday 20th May 2013**

You have less than
ten minutes
what will you do?

Think about
Tornadoes

You have less than
five minutes
where will you go?

Think about
Tornadoes

Think about
Tornadoes

Then it strikes!

Think!

Think about
Tornadoes

Are they
lucky
or unlucky?

Think about
Tornadoes

What will they need in the next
six days?

Think about
Tornadoes

What will they need in the next
six weeks?

Think about
Tornadoes

What will they need in the next
six months?

What would you **rescue** if this was your house?

Think about
Tornadoes

Think about
Tornadoes

Will you want to
rebuild
or move on?

Remember to think...

Think about
Tornadoes

Cause!

Effect!

Response!

Think about
Tornadoes

What exactly is a **tornado?**

Think about
Tornadoes

What exactly is a **tornado?**

Can you explain it in 20 words?

Where exactly is
tornado
alley located?

Think about
Tornadoes

Think about
Tornadoes

Where exactly is
tornado
alley located?

Can you **explain** it in 20 words?

Think about
Tornadoes

What damage does a tornado cause?

Think about
Tornadoes

What damage does a tornado cause?

How do we measure it?

Think about
Tornadoes

How can we prepare for a
tornado?

Think about
Tornadoes

How can we prepare for a **tornado?**

What can the government do?

**Think about
Tornadoes**

What can we learn from this
tornado?

**Think about
Tornadoes**

What can we learn from this
tornado?

What are the **key lessons?**

Think about
Tornadoes

Imagine this was you...

Think about
Tornadoes

Imagine this was you...

How would you tell

your story?

Thinking about **Tornadoes**

Thank You

Thinking about **Tornadoes**

Thank You
